Thinking ahead

 **Sanlam**

You may not want to think about death, but like most people, you probably hope for a final farewell that is dignified. With the Funeral & Survivor Plan from Sanlam, not only will you be able to ensure there is sufficient financial support for your own funeral, but you will have the peace of mind knowing that the funerals of your family members are also covered. On top of that, you will be rewarded if you look after your health. Start with what you hope for and plan ahead for dignity.

## What is so unique about the Funeral & Survivor Plan?

This plan will take care of your funeral needs and those of your immediate and wider family. In addition, we will reward you for looking after yourself and staying with Sanlam.

## Will you get a dignified funeral?

Funerals often leave households in debt. Have you ever thought about how your family will be able to plan your funeral? The service, the food and your cultural rites? If you would like to have the final say regarding your own funeral, then this plan is for you.

With a Funeral & Survivor Plan, you can plan every aspect of your funeral. You can also include your immediate and wider family, and give your loved ones a dignified funeral.

## What do you pay and what do you get out?

With the Sanlam Funeral & Survivor Plan, you can get cover from as little as R80 per policy per month. You get three levels of cover to choose from: R5 000, R10 000 or R20 000.

This includes the following benefits:

### FUNERAL COVER

Funeral cover is standard for you, as the policyholder, on the Funeral & Survivor Plan and optional for your spouse, your children, parents and wider family.

### BURIAL REPATRIATION BENEFIT

Transportation of the deceased covered by the plan to a funeral home close to the place of burial within South Africa. Including providing transport for a family member to accompany the deceased, including overnight accommodation (if necessary) and counselling of family members if requested.

### UNEMPLOYMENT AND PREGNANCY PAYMENT HOLIDAY

If you become unemployed or pregnant and are unable to pay your premiums for a while, you can ask to stop paying your premiums for up to 12 months without the plan stopping. During this time, only the policyholder is covered for accidental death and the benefit is limited to R5 000. Once you start paying your premiums again, full cover will return for all those covered on your policy.

### SURVIVAL BENEFIT

This benefit is only available with a Funeral & Survivor Plan. You will receive a payment of one tenth (10%) of your current cover amount after 5 years and half (50%) of your current cover amount after 10 years. The Survival Benefit only applies to the policyholder and should you outlive the 5 and 10 year survival period, you will receive cash to use as you wish for taking good care of yourself and being a loyal Sanlam client.

### INFLATION PROTECTOR

This plan includes an Inflation Protector to help you ensure your benefits stay valuable in the future.
